## LOAN BOATS INSURANCE

With all gigs that are loaned for any championship event you need to make sure that your club insurance company have been notified.

It has been brought to the attention of the CPGA that the insurance has changed and in order to cox a gig at a championship event in a loan boat, the cox must have two (2) years experience.

## JUNIOR ROWING

Congratulations to all junior crews who have completed over the last few weeks at the Hayle U14s and Newquay U16 – 35 and 25 crews respectively. A great atmosphere at both events where clubs have truly supported one another. Fowey U14 and Fowey U16 taking top spot at both championships.

A massive thank you to all who work hard with junior sections in clubs, never an easy task and obviously the future of clubs and the sport, so thank you.

Finally, a reminder taken from the [CPGA Safeguarding Policy](#):

**4.6 Use of Videoing, Photographic Equipment & Mobile Phones** Use of today's modern mobile phones and digital cameras, often with videoing equipment, presents the opportunity for misuse.

For any activities organised by CPGA member clubs, then the following procedures should be adhered to:

- Videoing / Photography should only be allowed if written consents have been provided by the parents & those taking part in the activities.
- If the photographs are to be published a consent from should be obtained detailing for what purpose the video footage / photographs are intended
- Only use official CPGA or Club social media sites to publish photographs and videos

All prospective photographers must obtain permission prior to using their camera. The following details should be detailed for all prospective photographers:

- Name / address and phone number of the person using the camera

[www.cpga.co.uk](http://www.cpga.co.uk)

Charity Number - 1166613

- Names of the subjects
- Relationship of the photographer to the subject
- The reason or use the images are being intended to be put to
- A signed declaration that the information provided is valid and that the images will only be used for the reasons given
- A sequential number to enable a date and order log to be kept.

A general requirement of the person given approval is that if any other person complains or expresses concern they must respect the rights of other people and stop taking photographs.

#### 4.6.1 Good Practice for the Publication of Images

- If a photograph is used avoid naming the player and identifying features. Never publish personal details of a child / young person
- Only use images of players in suitable dress (tracksuit, t shirt, shorts, skirt etc) to reduce the risk of inappropriate use
- Try to focus on the activity rather than a particular child and where possible use photographs that represent the broad range of children / young people taking part
- Ensure that images reflect positive aspects of children's involvement with the CPGA (enjoyment / competition etc)

### CORNWALL COUNTY CREW NOMINATIONS

On October 12th at Cattewater we want to defend the titles we won last year and add some new ones. This year we are looking for 12 winning crews, 72 men and women to represent Cornwall. There will be u15s races as well as u18s, the Open categories now include B as well as A crews, and Supervets as well as Vets get races of their own.

If you want to row for your county/duchy/country as well as for your club, please email [tncc2019@gmail.com](mailto:tncc2019@gmail.com) with your age category and a phone number.

If you rowed last year, we've still got your details; please let us know if anything has changed. Information and application forms will go out as soon as we have your name - the closing date is Saturday 24th August.

### NEWQUAY SENIOR CHAMPS 2019

Following the deadline yesterday it has been confirmed that there is an entry of :

- 120 ladies crews
- 99 mens crews

Newquay are accepting all crews who have entered by the deadline. All clubs/crews listed below.

Please be aware that with loan gigs there is a requirement this year for all coxes to have two (2) years coxing experience. If there are any issues with a club not having coxes with that experience a cox can be sourced, but please let Newquay know in advance.

With such a large number of entries the format is currently being discussed and once decided, all will be informed.

Please be aware that the selection of gigs is not yet decided and so do not assume that your clubs gig will not be required at this stage. Notification will be made when the selection has been completed.

## VOLUNTEER AWARDS

The annual [Cornwall Volunteer Awards](#) are back. Please have a think about anyone in your club who would fit a category and make a worthy nomination and hopefully a winner.

Anyone can make a nomination and anyone who volunteers in Cornwall can be nominated. Because all volunteers are amazing people, be sure to tell us what makes your particular volunteer stand out. Nominations need to be with us by Saturday 31st August 2019 and the winners will be announced at an awards ceremony in the autumn.

Any other counties that know of any volunteer awards, please let [secretary@cpga.co.uk](mailto:secretary@cpga.co.uk) know and we will publish so that all have the chance to nominate.

## DEADLINES

Whilst we appreciate that there are a few deadlines and all are volunteers, we do require all deadlines to be met in order to be able to process information and move forward or complete draws etc.

Please make sure that as a club you are meeting the deadlines and keeping all up to date, whether that be the CPGA direct or your club membership.
