SAFETY INCIDENT

'Last Sunday a crew of juniors & cox ended up in the water when, 50yds from shore & beam on, a wave swamped the gig throwing 4 into the water. The remaining crew turned the gig into the swell but another wave swamped the gig & it capsized. The crew (Life Jackets inflated) & cox got to shore & the gig was recovered, 2 adults who went in to help were taken to hospital.'

These are the basic details & there will be more to come in the future once investigations have been completed.

It serves as a stark reminder about the wearing of LJ's, local risk assessments & competent coxing.

CHARITY CREW LADIES BOAT FOR IOS WORLD CHAMPS 2020

Over the last four years Nikki Searle has organised three men's charity crews to go to the World Champs in Scilly to raise funds for Little Harbour, the children's hospice in St Austell, also a ladies crew in 2011.

Over the four years they have raised just over £10,000 for the charity.

In 2020 they would very much like to have a ladies crew again, however due to changes in the rules, they are struggling to borrow a gig.

Their request is, if by any chance, any club may have a gig available to loan to a ladies charity crew for 2020?

They would obviously be more than happy to share the costs of the shipping of the gig, insurances and any other costs incurred.

Please do contact Nikki directly by email at nikkisea59@gmail.com
