If you didn't collect yours at the AGM please get in touch regarding collection secretary@cpga.co.uk

As part of the 'Pulling Together The Past' a heritage board has been created for ever club. These are made of great quality products that are used for road signs and so are ready for the outdoors.

These can be added to the notice board of your clubhouse / gig store / shed / where you launch, wherever you feel that they will get the most attention. For those who have displayed, they are getting a great positive response to the board.
