FALMOUTH MARINE SCHOOL – ENERGY 2 PROJECT

Falmouth Marine School students are building a new Cornish Pilot Gig. The 'Energy 2 Project' will help a brand new gig club get started and promote the craft of gig building for future generations.

'Energy 2 Project' has been commissioned by the Cornish Pilot Gig Association and when finished in the summer she will join more than 200 other registered Cornish Pilot Gigs.

If you didn't catch the clip on BBC Spotlight on Friday 14th February, pop onto the CPGA instagram '[cpgagigs](#)' and see the short clip.

WHAT THREE WORDS

A [useful app](#) regardless of whether you are on the water or not. You only need the three words to find or share the exact location.

Download onto a mobile device and use as and when needed.

BULK / FORWARDED EMAILS

Please double check your bulk email sending addresses.

Recently I have received emails from various people who are nothing to do with gig rowing but have received an email that has been forwarded to them from club email accounts. Please double check.

CLUB WEBSITES

Thanks to those who sent up to date links.

We presume the rest are all correct?

If the above is not the case, please let us know and send the actual link.

SPORT ENGLAND FUNDING

You might have seen the latest 'This Girl Can' promotion.

Via Sport England, there is potential grant funding for women 16+ projects.

[Take a look](#) and see if you could qualify.

IOS SHIPPING

With only one week to the beginning of the IOS 2020 champs, yes, 24th February first gigs set sail. Fingers crossed all storms are now past.

As last year, we will endeavour to publish the week before the times for delivery to the quays in Penzance. These will also be published on the CPGA Instagram & Twitter.

Please see below the first three weeks of delivery times. Remember – all trailers to be fully working. Gigs cannot be left on the quay(s) overnight. Double check your booking form for further information.
