INKJET AND TONER CARTRIDGES RECYCLE FOR THE CPGA

Thankyou to those who are doing this, it's great to see the gig world doing their bit for the environment and the CPGA. Please spread the word.

A great opportunity to recycle an item that most homes, offices etc have.

Please [read the following](#) and where possible, spread the word about recycling for the CPGA.

HERITAGE INTERPRETATION BOARDS

If you didn't collect yours at the AGM please get in touch regarding collection. secretary@cpga.co.uk

As part of the 'Pulling Together The Past' a heritage board has been created for ever club. These are made of great quality products that are used for road signs and so are ready for the outdoors.

These can be added to the notice board of your clubhouse / gig store / shed / where you launch, wherever you feel that they will get the most attention. For those who have displayed, they are getting a great positive response to the board.

The have been designed to give a quick guide to the sport and its heritage for all. So display where you launch if you don't have a gig shed / storage that is visible to the general public.
