## IOSSC TRAVEL

If you haven't yet heard from the IOSSC travel team, you will.

As you can imagine it's been a busy and difficult time for them. They are working hard to contact all. They are working on a weekly basis (ie those travelling in the next 7 days), with the cancelled champs dates still a few weeks away don't be surprised if you haven't yet heard from them.

They really do appreciate the support that the gig world is giving them at this time.
